Brad,
Have you had a chance to update your 2014 Annual Report? You can send a hard copy to me and I can get it uploaded if that is easier.

Brad,
Your PDMP looks fine to me. Thanks for updating.

1) I have a request from the Water Keepers to obtain a copy of Bonner County's PDMP. I wanted to check with you to get confirmation that you are okay with me sharing the PGMP with them?

2) Also, I was on the PGP website and your 2014 Annual Report does not appear to have been updated with end of year pesticide application totals. If you would like, you can send a hard copy of the 2014 Annual Report to me and I can get it uploaded to the website (you can scan it and send it in an e-mail).

Best,

Dirk,

I've used a more recent format to address the concerns of my reporting for 2014. I hope this has filled those voids. There's been employee changes in Bonner County. Our current public works director was not here in 2014 so possible signature requirements are left out. I hope this satisfies the attempt to update this file. I'll wait for your correspondence to do any further work on this document.

Thank you,
